#### IMPORTANT NOTES:

- This help schedule applies to UNB Fredericton in-person course sections. It does not apply to open access online offerings (from the College of Extended Learning).
- Please seek help from our tutors & lab assistants only during the times listed above that apply to your class.
  - The "Tutoring for Foundation Courses" timeslots are for all students who are registered in any UNB Fredericton in-person sections of these foundation courses: CS 1073, CS 1083, CS 1103, CS 1203 or CS 1303.
  - The other help times are for CS 1073 and/or CS 1083 specifically, as indicated. Some of these times are only for particular sections of CS 1073 or CS 1083.
- Food and drink are **not permitted** in the tutoring space and labs.

**\*\* Always be respectful in your interactions with the tutors & the lab assistants. \*\***
